

Samuel Terry Public School Newsletter

Term 2 Week 2, 9th May 2025

Principals Message

Dear parents and caregivers,

Thank you to the P & C for organising the barbecue on election day. We really appreciate so many of our parents and caregivers for volunteering their time on a Saturday. As a result of the barbecue, the P & C raised \$2145.81.

Mother's Day Stall

The Mother's Day Stall is a greatly anticipated event for our children. We are very grateful to our P & C and parent volunteers for organising the stall. On behalf of the Samuel Terry PS staff, I wish all our fabulous mothers an enjoyable and relaxing day on Sunday.

P & C meeting

The next P & C meeting is on 22 May at 5pm in the staffroom. It has been great to see such a high attendance rate this year. It is important to receive the ideas suggestions and inputs of our parent community to make our great school an even better one!

Sydney West Representative

Congratulations to Zealand M of Year 6 on being selected in the Sydney West PSSA opens rugby league team. This is a great achievement, and we wish Zealand the best of luck for the tournament.

Samuel Terry Public School Chess Tournament

Following up on the success of our participation in the chess tournament held at Glenmore Park against other schools, Samuel Terry will be hosting its own chess tournament on Friday 23 May. The tournament is open to any student who can demonstrate that they can play the game and know the rules of chess.

The chess tournament will be held in the school hall with trophies being awarded to the top 3 students. The day will be organised by an external chess company who will provide all resources for the day.

Debating

Good luck to our debating team who will be arguing that 'All children should do chores.' This will be the first time that many of our debating team have participated in a debating competition. I have been impressed with their enthusiasm and work ethic for the debate and I am sure that they will represent our school very well.

State Knockout Competitions

Good luck to all teams competing in the upcoming state knockout competitions.

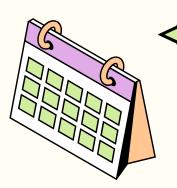

Have a great weekend!

SPELLING BEE UPDATE

Throughout Term 2 Week 8 (16th June – 20th June) all Year 2-6 students will have an opportunity to participate in their Class Spelling Bee competition. In Week 10, two winners from each class will participate in the Junior (Years 2-4) or Senior (Years 5 and 6) School Spelling Bee Competition. This competition will be held in the hall on Wednesday 2nd July (Term 2, Week 10). One Junior and Senior winner will then progress to the Regional Final which will be held in Term 3.

To get ready for a spelling bee, start by learning lots of new words, practicing with word lists, and finding out where words come from. Try writing the words, saying them in parts (like syllables), and using fun tricks to help remember how to spell them.

Practice with Word Lists: A School Bytes message went out last week to let everyone know that the password to access the Spelling Bee wordlists has changed. Please pop in to the office or phone the school if you need the updated password.

Practice speaking clearly and in front of others: Practice saying the words out loud with your family or friends to feel more confident because it is important during a spelling bee competition, to speak clearly and confidently.

Welcome back to Term 2!

Welcome to Week 2! As we continue our journey through this academic year, we are excited to share updates, highlights, and important information that showcases the incredible achievements and initiatives happening within our classrooms.

From engaging classroom activities to upcoming events, this newsletter aims to keep you informed and connected. This term in our classrooms we are looking at being resilient, developing emotional regulation and being a kind friend.

PREMIERS SPELLING BEE

In Term 2 Week 8 (16th June – 20th June) all Year 2 students will have an opportunity to participate in their Class Spelling Bee competition. In Week 10, two winners from each class will participate in the Junior (Years 2–4) School Spelling Bee which will be held in the hall on Wednesday 2nd July (Term 2, Week 10).

Want to know more? Be sure to ask your classroom teacher about how to access the practice words or see Mrs Bridges :

GOLD AWARDS

Once your child receives five merit awards (with the school emblem printed on them), they are eligible for a Gold Award!

Children can bring their most recent five merit awards in a folder, clearly labelled with their name and class, to the front office. Their Gold Award will be presented at the next K-2 assembly. This should be done before the Monday prior to the assembly.

To help families track which awards have been counted towards a Gold Award, all Stage Supervisors will place a small inconspicuous stamp or signature on the back of each award that has already been counted

WHAT ARE THEY TALKING ABOUT??

You might have noticed your wonderfully knowledgeable children using some terms that are new to you.

To help you engage in conversations with them, we've created a handy cheat sheet that may be handy!

PHONEME - A phoneme is the smallest unit of sound that can change the meaning of a word. For example, in the words "bat" and "cat," the first sound is different (b and c), which changes the meaning of the words.. A phoneme is a sound.

GRAPHEME - Graphemes are used to write words and show how sounds are formed in writing.

SEGMENTING -Segmenting is the process of breaking a word down into its individual sounds or parts. For example, if you take the word "cat," segmenting it would involve identifying the sounds "c," "a," and "t." This helps with understanding how words are formed and can improve reading and spelling skills.

BLENDING - Blending is the process of combining individual sounds whole word. For example, if you take the sounds "c," "a," and "t" and blend them together, you get the word "cat." This skill is important for reading, as it helps people recognise and pronounce words.

SPLIT DIGRAPH - A split digraph is a combination of two letters that work together to make a single sound but are separated by another letter. For example, in the word "cake," the "a" and "e" form a split digraph. The "a" makes a long sound, and the "e" at the end helps to indicate that the "a" should be pronounced that way. When I was at school words like this were referred to as "Magic E or Bossy E" words.

HOME WORK AND HOME READING

Remember to complete homewrok every week! Log into Homework Hound and complete the assigned tasks. Don't forget that once your child has completed 25 nights of home reading they can bring thier home reading log into school and they will recieve a home reading award at the next informal assembly. These awards can be counted towards your childs Gold Award.!

Great Start

We have hit the ground running at a fast pace in Term 2! A heartfelt thank you to all our students and their families for ensuring a smooth return to our school routines. Your support makes a significant difference!

Names on Jumpers

It's that wonderful time of year again, with cool fresh mornings and warm sunny days! Many of us are wearing jackets in the morning and taking them off as the day progresses. Unfortunately, our school jackets are often left behind on the playground during fun games. Please ensure

your child's name is inside their jacket so it can easily be returned if misplaced. Thank you for your cooperation!

Jewellery and Watches

Please remember that all jewellery and smart watches are not to be worn at school, unless it is for religious reasons. Smart watches can be a significant distraction for our students, while jewellery can easily be lost or pose safety concerns.

For earrings, only small studs or sleepers are allowed. As for watches, please ensure they are simple digital or analogue

types. Thank you for your understanding and support in maintaining a focused learning environment!

Spelling Bee

We encourage all our students to participate in the 2025 Spelling Bee! To find the word lists for your child's grade level, please refer to the information and link available in School Bytes. Class competitions will take place later this term, with the school final scheduled for Wednesday, 2nd July (Week 10).

Debating Squad

Congratulations to the following students who have been selected to represent the Samuel Terry debating squad for 2025!

Emilia T. Joshia C.
Akindu K. Emma T.
Erica C. Isabella G.

Ronan M.

Your hard work and dedication have truly paid off, and we look forward to seeing you shine in upcoming debates.

The first debate of the year is set to take place at Samuel Terry next Tuesday, 13th May. Our team will be facing off against Henry Fulton PS, and we have our fingers crossed for a great result. Good luck to all participants.

Chess Tournament

On Friday, 23rd May, Samuel Terry will be hosting a chess tournament. If you're a keen chess player and would like to participate, please see Mr. O'Keefe or Mr. Lockley for more information.

Athletics Carnival Trials

This week, we conducted our trials for long jump, shot put, and discus. The top students from each event will compete against one another in the upcoming Athletics Carnival in Week 4. Best of luck to all participants!

Athletics Carnival

Our Athletics Carnival is fast approaching! It will be held on Tuesday, 20th May. Please remember to return fill in the permission details and make your payment via the SchoolBytes app. We look forward to a fantastic day of competition.

Our fastest long-distance runners will be heading off to compete in the PSSA Zone Cross Country Carnival on Wednesday, 21st May (Week 4). We are confident that their effort and behaviour will be outstanding. We are all 100% behind you—good luck!

Rugby League Clinic

All classes at Samuel Terry will be participating in a free Rugby League Clinic brought to us by the NRL. We can't wait to join in the fun on Wednesday next week (14th May). Don't forget to send your child in their sports uniform on this day.

Knockout Sport Events

Today, our netball team competed in the NSW P.S.S.A knockout competition. Congratulations to them for their hard work and dedication! We also have several upcoming knockout events in the next few weeks, and we know you will all make us very proud. Best of luck to everyone involved!
